**COVID-19 Update**

Eastern Health

**Marystown-Burin Area**  
*Updates for community stakeholders and partners*

## New information

- **Public health update:** To date, there have been **80 confirmed cases of COVID-19** connected to the cluster. 55 of the cases identified in the cluster are under 20 years of age. All identified cases are in isolation.
- **COVID-19 testing update:** Residents of the Burin Peninsula who require **retesting for COVID-19**, as advised by public health due to the cluster in the Marystown area, and are not already booked should call 709-277-0624 from 8:00 a.m. to 10:00 p.m. to book a COVID-19 testing appointment.
